ADJUDICATOR

As a dedicated and passionate Canadian dancer, Kate began her journey into the world of dance at a young age, immersing herself in a broad range of styles including ballet, jazz, tap, lyrical, musical theatre, and hip hop. Her foundational training was enriched with an in-depth study of modern and contemporary dance at the School of the Performing and Visual Arts at Central Memorial High School. Kate's pursuit of professional excellence led her to Toronto, where she attended the George Brown Commercial Dance Studies Program. There, she broadened her skills to include theatre performance, vocal training, and acting, building a strong foundation in stage presence and character portrayal. This training has enhanced her versatility, enabling her to connect authentically with audiences and bring depth to her work as a performer and choreographer.

In the years since, Kate has continued to deepen her expertise in contemporary dance, drawing inspiration from notable figures such as Justine Reeve, Peter Jasko, and Eric Franklin. Through these studies, she developed a unique understanding of improvisation theories, which has profoundly influenced her creative work. Kate's diverse influences and experiences have allowed her to study and perform an array of dance styles, collaborating and working with esteemed movers like Hanna Kiel, Lauren Cook, Michelle Moss, and Megan Lawson. Her pursuit of artistic growth led her internationally; she's trained with Joeri Dubbe (NDT) in Florence and worked under the guidance of Nita Little (USA) and Iñaki Azpillaga (Ultima Vez) in Vienna..

Kate's evolution as an innovative choreographer has been evident in her work with youth, pre-professional, and professional dancers alike. Her passion for imaginative, distinctive creation began early in her career and remains a guiding force behind her success. Kate is known as a respected choreographer, teacher, and adjudicator, contributing to film and live theatre projects nationwide. Her choreographic works have appeared at Toronto Original Choreographer's Ball, Fever After Dark, New Blue Festival, and in several pre-professional programs, reflecting her distinctive, playful, and imaginative style.

Today, Kate continues to explore her unique artistic voice through a range of passion projects that allow her to push the boundaries of movement and expression. As a versatile educator and choreographer, she leads workshops and sets choreography for studios across Canada, eagerly sharing her evolving research and artistic discoveries with the next generation of dancers.

PARENT FAQs

DURING THE COMPETITION

1. How do I purchase a program?

Digital event programs will be available for all of your families on our website and on our VIEW Dance Challenge App which can be downloaded in the Apple Store or Google Play.

2. How do I find my change room?

Change rooms are organized and labeled by studio code. If you have any questions about the location of your specific studio change room, please inquire at the front merchandise desk in the lobby.

3. Do you have separate boys' change rooms and gender-neutral change rooms?

Absolutely! Every VIEW Event provides a gender-neutral change room and a separate boys change room.

4. Can I leave items in the change room overnight?

VIEW will not assume responsibility for any lost or stolen items. You may choose to leave items overnight at your own discretion.

5. Do I need to check in upon arrival?

No, there is no need to check your dancer in upon arrival. We recommend checking in with your Studio Owner or teacher.

AFTER THE COMPETITION

1. How can I get more information on the VIEW Convention scholarship that my child was awarded?

Congratulations to your dancer! Convention registration opens on July 1st, 2025! Use your unique code to register for VIEW Dance Convention by following the instructions listed at www.viewdanceconvention.com.

2. Where can I see my dancer's scores and listen to critiques?

All scores and judge's critiques are sent directly to the Studio Director after the completion of the event. Parents and dancers do not have direct access to the scores and/or critiques, they must be shared by your Studio Owners.

3. How can I contact your office if I have further questions?

To streamline all communications, VIEW Dance Challenge will communicate directly with Studio Owners. All pertinent information will be shared with them. We encourage you to filter your questions through your Studio representatives.

4. The merchandise I was hoping to purchase was not available. Can I order online?

Unfortunately we do not offer online orders at this time. We encourage purchases to be made in-person as our products are all limited edition and change every season. We do not restock the same items once they sell out!

5. My dancer was not able to collect their award. Will it be sent to me?

VIEW Dance Challenge does not ship any awards, medals, or ribbons. We encourage Studio Owners/Teachers to be available or find a representative for award sessions to collect awards on dancers' behalf. Please contact your Studio to collect any missed awards.

6. Where can I access my dancer(s) photos/videos?

Dance families can obtain access to a 10 second preview video and small resolution (lower quality) photos directly on the App, shortly after the routine has performed. Full high resolution images and videos will be available as of Wednesday immediately following the event.
