SEE IT. BELIEVE IT. ACHIEVE IT.

ADJUDICATOR

Rob started dance at an early age and has since earned numerous titles and awards as both a dancer and a choreographer. Entering into professional dance at the age of 16, Robert has balanced a University career earning three separate university level degrees while continuing to grow and develop in the field of dance.

Rob's professional career includes featured dance work with various industrial publicity campaigns, theme parks and production companies. He spent many years as a dance instructor at University of Windsor and continues to teach master workshops for dancers in Canada and the United States. As a choreographer he is well sought after throughout the Ontario dance scene, having taught at dozens of studios across the province and abroad. He has trained extensively on dance scholarships in both New York and Los Angeles, and toured worldwide through contract dance positions with various cruise lines and production companies.

Rob attended the University of Windsor earning an Honours degree in Drama in Education, as well as a Bachelor of Arts in Psychology. He then continued on to The University of Western Ontario where he holds a Bachelor of Education degree and is a certified member of the Ontario College of Teachers for the Intermediate and Senior levels. Rob excels as both a secular school teacher and dance teacher and is also a teaching member of the Cecchetti Council of America.

Rob continues to train students of all ages, and has dancers who have gone on to win national level titles and scholarships of their own. He is a professional adjudicator, allowing him to remain on the cutting edge of dance techniques and initiatives.

SEE IT. BELIEVE IT. ACHIEVE IT.

ADJUDICATOR

Melissa Pribula began dancing at the age of four, in her hometown of Orangeville, Ontario. She first trained under the direction of Bonnie Monaghan, and furthered her dance education under Annemarie Reynolds. She trained competitively in jazz, lyrical, ballet, tap and acrobatics and was able to train with many Industry leaders throughout the US, Canada and in Europe. Throughout her years of dance, Melissa won numerous scholarships, titles and overall awards, including a Gold Medal at the IDO World Tap Championships, in Reisa, Germany, and was a finalist on Showstopper's Nationally Televised Finals in Myrtle Beach, South Carolina.

Melissa holds certifications with the BATD (British Association of Teachers of Dancing) in Tap and Jazz and the RAD (Royal Academy of Dance) in Ballet. Wanting a deeper understanding of a dancer's body and the science behind the movement and mechanics, she went on to graduate from the University of Western Ontario, with a HBSC specializing in Kinesiology. Melissa continues to further her education, by training and taking courses with some of Canada's leading dance science experts.

With over 25 years of teaching experience, Melissa is a sought after educator and adjudicator, working with various studios and competitions across Canada. Known for her keen technical eye and commitment to artistic expression, Melissa is known to help dancers find the balance between the athletic demands of competitive dance, while maintaining the integrity of the dance art form. Her choreography has been displayed and recognized across Canada and the USA, at both national and international levels of competition. She is excited to be joining the choreography team for the IDO Canada West Acro Dance Team for 2024.

Many of her students have gone on to win numerous titles and achievements including BC provincial champions, Top 10 and Top 20 placements in the Best Dancer Final at the Dance Awards in both Las Vegas and Orlando, acceptance into Arts Umbrella Full Time Training Program (both high school and post Secondary), Dancerpolooza Beat Squad Members, acceptance into multiple University Dance Programs in the USA and Canada, acceptance into ITP and Modus Operandi Training Program. Many of her dancers are pursuing professional dance careers and have been featured in numerous productions, commercial, print and film both nationally and internationally, including Netflix Series, movies, NDT 2, BC Lions Uproar Dance Team, performing with Disney, and dancing on cruise ships (Royal Caribbean and Disney).

Melissa is thankful to be working with View Dance Challenge and excited watch some extraordinary talent take the stage this week. She wishes the best of luck to all competitors.

ADJUDICATOR

David Lafleur (he/him) is a Tap dance artist based in the National Capital Region with experience across Canada as a teacher, choreographer, and adjudicator. He holds a master's degree in human kinetics with a specialization in neuroscience from the University of Ottawa.

David's professional dance journey began when he met his mentor, Ryan Foley. His career highlights include training at The School at Jacob's Pillow Tap Dance Program, performing in Dianne Montgomery's Fall For Dance North World Premiere, being a main cast member of Rhythm and Sound since 2017, and presenting original work at the National Arts Centre. With Toffan Rhythm Projects, David has performed at the Toronto International Tap Dance Festival and worked as part of the TRI Summer Youth Intensive faculty for the past few years.

In 2021, David co-founded with Ella Steele, (in)sight, a Tap dance collective dedicated to sharing innovative, multi-disciplinary work. Together, they create theatre productions, short films, and in situ pieces, collaborating with artists across various practices to showcase the versatility of Tap dance. This season, they toured their work untitled Mirror/Water/Doorway in theatres across Québec.

PARENT FAQs

DURING THE COMPETITION

1. How do I purchase a program?

Digital event programs will be available for all of your families on our website and on our VIEW Dance Challenge App which can be downloaded in the Apple Store or Google Play.

2. How do I find my change room?

Change rooms are organized and labeled by studio code. If you have any questions about the location of your specific studio change room, please inquire at the front merchandise desk in the lobby.

3. Do you have separate boys' change rooms and gender-neutral change rooms?

Absolutely! Every VIEW Event provides a gender-neutral change room and a separate boys change room.

4. Can I leave items in the change room overnight?

VIEW will not assume responsibility for any lost or stolen items. You may choose to leave items overnight at your own discretion.

5. Do I need to check in upon arrival?

No, there is no need to check your dancer in upon arrival. We recommend checking in with your Studio Owner or teacher.

AFTER THE COMPETITION

1. How can I get more information on the VIEW Convention scholarship that my child was awarded?

Congratulations to your dancer! Convention registration opens on July 1st, 2025! Use your unique code to register for VIEW Dance Convention by following the instructions listed at www.viewdanceconvention.com.

2. Where can I see my dancer's scores and listen to critiques?

All scores and judge's critiques are sent directly to the Studio Director after the completion of the event. Parents and dancers do not have direct access to the scores and/or critiques, they must be shared by your Studio Owners.

3. How can I contact your office if I have further questions?

To streamline all communications, VIEW Dance Challenge will communicate directly with Studio Owners. All pertinent information will be shared with them. We encourage you to filter your questions through your Studio representatives.

4. The merchandise I was hoping to purchase was not available. Can I order online?

Unfortunately we do not offer online orders at this time. We encourage purchases to be made in-person as our products are all limited edition and change every season. We do not restock the same items once they sell out!

5. My dancer was not able to collect their award. Will it be sent to me?

VIEW Dance Challenge does not ship any awards, medals, or ribbons. We encourage Studio Owners/Teachers to be available or find a representative for award sessions to collect awards on dancers' behalf. Please contact your Studio to collect any missed awards.

6. Where can I access my dancer(s) photos/videos?

Dance families can obtain access to a 10 second preview video and small resolution (lower quality) photos directly on the App, shortly after the routine has performed. Full high resolution images and videos will be available as of Wednesday immediately following the event.
